

Struggling with using inquiry while still focusing on the Core? Here is your solution!

Secondary Science Instructional Methods Bringing Fun into the Science Classroom

Date:

July 30—August 3 2012

Monday: 9-3

Tues—Friday: 8-3

Location:

Oak Canyon Jr. High

111 South 725 East

Lindon Utah 84042

Course Contact:

Dr. Rich Tolman

801-863-6229

Credit:

3 BYU semester Credit Hours

Instructors:

Doug Panee

Darren Hodges

Course Description:

Top-notch, exciting, engaging, and just plain fun, this class is designed for teachers in all stages of their career who are interested in bringing the excitement of science into the classroom. The investigations used in the course are Core specific and designed for teachers to implement inquiry investigations from the course in their own classroom.
